Parent Authorization

Dear Parents,

You daughter or son is about to participate in a Program called "Moon, Mars and ISS" (ISS=International Space Station). As part of the Program the students will be learning about space, and planning a mission in which they will travel to and colonize one of three destinations; Moon, Mars, or the ISS. Also, the students will form Space Flight Centers (groups of 4 students) and together prepare a final project that combines both knowledge and creativity. Examples might be space inspired game, travel advertisement, science fiction story, video, skit, etc. Select work will be displayed at the San Diego Aerospace Museum between June 18 and June 22. Moon, Mars, and ISS was funded by NASA's Goddard Space Flight Center and developed by Nu-Edu, a Division of Nu-Trek. To learn more about "Moon, Mars and ISS" please check out the Program website at <http://www.nu-edu.com/mustangs.htm>.

As we mentioned above, select final projects will be displayed at the Aerospace Museum. We are looking into other venues of showing off student work and may arrange for other exhibits. We want to make sure this is OK with you. We obviously think this will be a motivating factor and a great experience.

I authorize Nu-Edu/Nu-Trek to exhibit my child's work:

- 1) At the Aerospace Museum, if selected. Yes___ No___
- 2) At other venues. Yes ___ No___

Student exhibits will be available for pickup from the Aerospace Museum after June 23, at which time the exhibit will be over. If the work will be exhibited in other venues, we will be happy to notify you when the work is available for pickup. To be notified you will have to provide a self-addressed postcard or letter.

As part of the Program we will occasionally photograph and shoot videos of the students working on the Program. The photographs and videos will be posted on the Program website, shown at the Museum, used in reports and proposals, used to promote the Program, etc. We want to make sure this is OK with you.

I authorize Nu-Edu/Nu-Trek to use photographs and videos of my child for the purposes described above. Yes ___ No___
